God didn't make death. If living things die, God doesn't
celebrate. God made all things, gave them life.

Means what? Everything true good, nothing bad.

Things from devil, earth has none. God judges fair forever.

God made people for live forever, same as God Himself lives
forever. But devil jealous, cause death enter world. Happen

Jesus went with Jairus. Crowd followed.

While walking, people from temple leader's house met them, said:
